

Mandela Day of Service 2016

Inspired by former South African President Nelson Mandela's life and years of public service, MOAA will host its second annual Mandela Day of Service in the District on Saturday, July 16, 2016. Members of the African community and interested volunteers are invited to conduct a clean-up at the Anacostia River, thereby strengthening community-building and contributing their efforts towards maintaining the beauty and cleanliness of this public treasure.

This year's Mandela Day of Service is conducted in partnership with Serve DC, the Department of Public Works, the Department of Parks and Recreation, DC Fire and EMS Department, and Metropolitan Police Department. Private sector partners include Path to Greatness, The Alice Ferguson Foundation, and the Mandela Washington Fellows for Young African Leaders, Howard University and Wagner College. The corporate sponsor for this event is South African Airways.
